Learning Objectives

At the conclusion of this activity, participants should be able to:

- Integrate computer therapies into practice to improve outcome
- Incorporate recent research findings into the management of mood disorders in pregnancy
- Attain a practical understanding of dealing with paranoia and violence
- Formulate effective approaches to treating bipolar disorder
- Utilize practical pointers in the day-to-day management of bipolar disorder
- Identify and manage sexual morbidity associated with psychiatric illness
- Apply the latest advances in the treatment of schizophrenia to clinical practice
- Discuss issues related to the pharmacotherapy of substance use disorders
- Minimize the risk of adverse drug interactions

Accreditation Statement This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Wisconsin School of Medicine and Public Health and the Madison Institute of Medicine, Inc. The University of Wisconsin School of Medicine and Public Health is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement The University of Wisconsin School of Medicine and Public Health designates this live activity for a maximum of 9 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education Units The University of Wisconsin-Madison, as a member of the University Continuing Education Association (UCEA), authorizes this program for .9 continuing education units (CEUs) or 9 hours.

Need Statement This conference is being held in response to mental health professionals' previous conference evaluations and the need for ongoing continuing medical education for clinicians in the area of psychiatry.

Target Audience This activity has been designed to meet the needs of clinicians and other health care professionals who are looking to enhance their knowledge and skills for the care of their patients with mental health issues.

Elements of Competence This CME activity has been designed to change learner competence and focuses on the American Board of Medical Specialties areas of medical knowledge and patient care.

Policy on Faculty and Sponsor Disclosure It is the policy of the University of Wisconsin School of Medicine and Public Health that the faculty, authors, planners, and other persons who may influence content of this CME activity disclose all relevant financial relationships with commercial interests in order to allow CME staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the activity handout materials.
